The Regional Municipality of York

NOTICE OF PUBLIC MEETING

CLASS ENVIRONMENTAL ASSESSMENT
LESLIE STREET (Y.R. 12) ROAD IMPROVEMENTS
FROM WELLINGTON STREET (Y.R. 15) TO MULOCK DRIVE (Y.R. 74)
TOWN OF AURORA AND TOWN OF NEWMARKET

The Regional Municipality of York (York Region) has initiated a Class Environmental Assessment (EA) Study for road improvements to Leslie Street from Wellington Street to Mulock Drive to accommodate existing and future traffic requirements. This section of Leslie Street has been identified for improvements as part of York Region's 2002 Transportation Master Plan.

This study is being undertaken as a Schedule 'C' project in accordance with the requirements of the *Municipal Class Environmental Assessment* (October 2000, as amended in 2007).

YOU ARE INVITED TO GET INVOLVED!

Residents and other stakeholders are being consulted throughout the project. To date, the Region has advertised a Notice of Study Commencement (July 2008) and hosted a Public Consultation Centre (November 2008) to present the project details, alternatives being considered and a recommended solution.

York Region will now host a second Public Consultation Centre to present the alternative designs, results of the technical evaluation and the recommended design. The meeting is scheduled as follows:

Thursday, May 28th
Newmarket High School Cafeteria
505 Pickering Crescent, Newmarket

Open House: 6 p.m. to 7 p.m.
Presentation: 7 p.m. to 7:30 p.m.
Questions and Answers: 7:30 p.m. to 8:30 p.m.

This is your chance to be heard and meet with project staff to have your questions answered.

If you are unable to attend the meeting and would like to receive a copy of the presentation, or if you have any questions or comments on the study, please visit **www.york.ca** and click on the Leslie Street EA link or contact the study manager below:
