Questionnaire

Leslie Street Road Improvements Class EA

(First Public Consultation Centre, 26 November 2008)

Thank you for participating in this Public Consultation Centre for the Leslie Street Road Improvements Class EA. Today, you will be learning about the study. We would like to have your feedback about this process. The display panels will provide you background information about the study. While you are going through the display panels, please fill out the questionnaire below. Please ask any of the technical staff if you have any questions. Your comments are appreciated, and will be used to improve our process.

Once completed, please drop this questionnaire in the comment box, or send it to York Region by mail, fax, or e-mail.

1. What are the most important aspects of this study to you?

2. What do you feel are the key criteria that should be used to evaluate the alternative design concepts?

How best can we contact you for information in the future?
